Job Title:	Senior Practice Nurse
Contract Type:	We offer flexibility on start date and number of sessions.
Contract Term:	Permanent
Salary:	Is negotiable depending on experience
Description:	<p>We are looking for a Senior Nurse that will be responsible for ensuring the delivery of safe and effective nursing care to the whole practice population. As the team leader for the general practice nursing team, the post holder is accountable for nursing service delivery.</p> <p>The post holder will lead and manage all the nursing resources, working closely with the GPs and practice manager to deliver the practice priorities. Clinically, the focus of the role is the delivery of evidence-based practice for patients with acute and chronic conditions and management with preventative nursing interventions to all patients.</p> <p>You will work collaboratively with the whole general practice team and the wider health community to meet the needs of patients, supporting the delivery and procedures and providing leadership and direction for the nursing team supporting junior colleagues and assisting them as and when required.</p> <p>Working from a beautifully restored Georgian Mansion in the centre of Whitehaven. We are a friendly well organised and supportive patient centred team who are proud to be able to offer a broad range of services to our patients.</p> <p>Our healthcare team consists of four GP partners, three practice nurses and two health care assistants. Our practice with a patient list size of 6961 supports the GP and Medical Student training programme in collaboration with Health Education England and the University of Central Lancashire</p> <p>We are a GMS practice utilising EMIS Web clinical software and Electronic repeat prescribing.</p>
Location:	Mansion House Surgery, Irish St., Whitehaven, Cumbria
